The Sulawesi Kalosi is a Single Origin coffee from Indonesia, consisting of 100% Arabica beans. This coffee comes from the Tana Toraja - Mamasa region. The taste is distinct and spicy with nuances of wood, truffle, cocoa and pepper: a special mix! The Sulawesi Kalosi mixes well with milk for a delicious milk-based coffee variety such as a cappuccino, but this coffee is also suitable for other coffee varieties.

Jarritos is an authentic Mexican soft drink brand from the 50s. Available in different exotic flavors:

## SPICY KNOWLEDGE

Did you know...

- the Tabasco sauce has been around for over 150 years?
- there are 7 different types of Tabasco?
- the peppers are picked by hand?  
To be sure that the pepper is ripe, the pickers have a small red stick 'le petit bâton rouge' for the colour of the pepper.
- Tabasco is also used in (side) dishes with lots of vegetables?  
The green variant is especially ideal for this because it has a nice touch of fresh salsa.
- the peppers are crushed to a puree?  
This mash is aged for 3 years in wooden barrels.
- the bottles are only available on request produced?  
As a result, there is never overproduction!
- Tabasco consists of only 3 ingredients:  
vinegar, **peppers** & salt

## WINES

The Agave americana was one of the holiest plants in pre-Columbian Mexico and participated in various religious rituals. The heart of the plant was sometimes boiled and the juice allowed to ferment. It has not been demonstrated that people could already distill before colonization, but agave wine was certainly drunk and pulque is also made from this agave. The Spaniards brought the art of distillation with them and started experimenting with local products. Mescal and tequila were the result.

Nuestra Soledad Ejutla is a light and very aromatic mezcal. This mezcal is traditionally produced in the heart of Oaxaca, Mexico. The light-smoky notes of roasted chili peppers harmoniously meet with the fresh and rich scents of various flowers and mint.

W. & J.  
**GRAHAM'S**

Lighter, sharper and fresher than any other White Port on the market. Blend Nº5 mainly consists of two Portuguese grape varieties, the fresh Malvasia Fina and the aromatic Moscatel galego. These give the blend a fruity flavor profile on the palate with the perfect balance of dryness that is exquisite combines with tonic.

- ice cubes
- 50 ml Graham's Blend No 5

### Preparation:

Fill half a glass with ice cubes. Add the lemon slices and sprigs of mint. Then add 50 ml Graham's Blend No 5 and a generous dash of tonic.
